Tailored Recruitment that Matches Your Requirements

recruiting the wrong person can cost you money, momentum and even other employees

Recruiting the right person for your organisation is crucial for business success. Whether you require a full recruitment service or just need further evaluation of candidates that you have already identified, Adelaide Interim's Tailored Recruitment service helps you find the right people for your organisation and helps you develop those people already employed.

We provide recruitment advice and services that meet your needs and budget. If you need time to find the right candidate, we also have the ability to support your business in the Interim while you get on with your business.

Benefits of Flexible, Tailored Recruitment

Adelaide Interim's unique service allows you to:

1. have a trusted ally who will assist in recruiting the right people
2. manage your recruitment costs by taking advantage of the skills and resources you already have, and only obtain assistance in areas that you need
3. take the time to find the right person by using one of our proven and effective interim managers to keep your business running smoothly

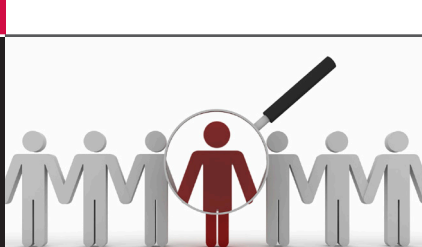

Why choose us?

- ◆ Flexible recruitment services to suit your needs, budget and timeline
- ◆ Experienced Interim Managers to help you fill organisational gaps whilst you take the time to find the right person for your organisation
- ◆ Coaching option for your recruitment team

Our Recruitment Services include

1. Architecting organisational structure
2. Analysis of current corporate culture
3. Remuneration advice
4. Preparation and placement of advertising copy
5. Job specification development and updates
6. Preparation of interview questions
7. Resume analysis / Candidate shortlisting
8. Reference checking
9. Screening and formal interviews
10. Recruitment process coaching
